YUZO TAKADA

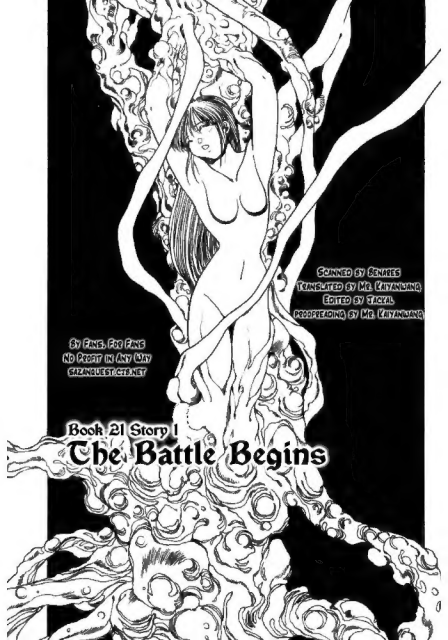

WITH STUDIO PALM

3x3EYES

A detailed black and white illustration serves as the background for the table of contents. It depicts several characters from the manga 3x3 Eyes. In the upper left, a character wearing a flight helmet and goggles is shown. In the center, a character with dark hair and a determined expression is looking forward. To the right, another character is partially visible, holding a long, thin object that resembles a sword or a staff. The overall style is characteristic of manga art, with bold lines and detailed shading.
